

# PRIVACY POLICY

Last Updated: [15 Feb 2025]

## Limited Data Collection:

1. We collect first name and last name when visitors submit the contact form, along with email. This information is only used for the purpose of responding to inquiries, discussing land leasing opportunities, and communicating with prospective clients.

## No Cookies:

1. We do not use cookies or any other tracking technologies on this website.

## How Information is Used:

1. The information submitted through the contact form is sent directly to our email and is not stored in any database or shared with third parties. It is solely used for leasing discussions and client communication.

## No Third-Party Services:

1. This site does not integrate with third-party analytics or ad networks.

## Contact Us:

1. If you have any questions or concerns regarding this privacy policy, please contact us at:

- [lindsey@thevillagecommunities.com](mailto:lindsey@thevillagecommunities.com)

By using this site and submitting the contact form, you acknowledge that your email, first and last name will be used solely for the purposes outlined above and that no additional personal data is collected or stored.
